Act in support of Catholic Education: Do you support Catholic schools and the right of Catholics to send their children to them? Then we need you to make your voice heard. The Government is making a critical decision on whether to overturn the admissions cap which prevents new Catholic schools from allowing all Catholic pupils to attend. The Prime Minister has acknowledged that this policy discriminates against Catholics and had promised previously to abandon it. Now the Government may decide to keep this discriminatory policy in place instead of removing it. We need you to tell the Government not to discriminate against Catholics and to remove the admissions cap on new faith-based schools. Visit catholicnews.org.uk/education-cap or search 'Catholic Education' to write to the Government and urge them to drop their policy which bans new Catholic schools. Bishop Marcus
